## K. OF C. AND GUESTS DANCE TO EARLY MORNING

Tenth Annual of Local Order a Success

## 200 ATTEND MIDNIGHT SUPPER

High School Hall Was Filled to Dancing Capacity Last Evening.

The 10th annual ball of the Knights of Columbus, held Monday evening in high school hall, was a pronounced success. More people attended than in any previous year, the number being estimated at about 350. The ball was more enjoyable because the accommodations for handling of the crowd for both dancing and supper were better than in the more cramped quarters of Foresters' hall.

The grand march, which had been preceded by a concert, started about 9.30. It was led by Grand Knight and Mrs. P. J. Prendergast with Joseph A. Evans as major domo. There were 84 couples in line.

The number in the grand march, is no criterion of the attendance, for one-half as many more arrived while the dancing was in progress and continued to come until midnight. The receipts showed about the middle of the evening that the attendance would run to about 350. The hall was just large enough to accommodate this size crowd, filling it comfortably yet without serious crowding.

The hall was trimmed in purple and white streamers, spruce and potted plants, with purple and white electric bulbs. A large sign with the letters "K. of C." was suspended over the stage where the musicians were located behind a bank of evergreen and palms.

The musicians were Miss Helen Hurley, piano; Harold R. Hurley, violin; Arthur Hurley, trombone; Harry Cook, clarinet; Murray Hamilton, cornet and Charles Frazier, drums.

There were 24 numbers on the program, including a number of square dances for the older people. Intermission came at 11.30, during which supper was served in the basement under the direction of Mrs. John Purcell, assisted by the following: Miss Mary Jewett, Mrs. W. J. Phalen, Mrs. Margaret Larin and Miss Margaret Larin, Miss Mary O'Connor, Miss Mary Crahan, Mrs. Kate Enright, Mrs. Nellie Scanlon and others who volunteered.

## BEWITCHING HAIR FOR EVERY WOMAN

Hair That Radiates Healthfulness Always Compels Admiration.

Don't neglect your hair, girls; you'll be sorry later on if you do. Never mind about the things you have tried; never mind what people say.

Just remember this: Parisian Sage will make harsh, thin or faded hair soft, glossy and luxuriant. It quickly rid the scalp of dandruff, stops falling hair and scalp itch, and imparts that refreshing comfortable feeling or money returned.

It's a delicately perfumed liquid free from oiliness and as one woman remarked, "Parisian Sage puts the radiance of sunshine into my dull looking hair and makes it beautiful and lustrous." W. L. Gokay sells lost of it and always guarantees it.

to help after the supper got under way. About 200 people sat down to the meal, spread on three long tables running east and west of the basement. A buffet lunch of salads, sandwiches, coffee and light desserts was served.

The check room was under the direction of Thomas Dunn, Michael Hogan and Francis McGuire. Mrs. Sarah Dagesse had charge of the ladies' dressing room. Punch was served in the main hall while the dancing was in progress, by Ralph Mathers. In accordance with custom, cards were distributed during the grand march on which gentlemen were requested to write the name of lady guest and selves that the committee could form an estimate of those who attended. London, April 25.—Sir Roger Casement, who was captured in a disastrous attempt of German ship to land arms on the coast of Ireland, will probably escape execution as officials are convinced that he has been mentally unbalanced for the past three years. He is likely to be confined in some institution for the remainder of his life.

London, April 25.—Sir Roger Casement has been captured from a German ship which attempted to land arms in Ireland and was sunk, according to an official announcement made last night. The official statement follows:

"During the period between the afternoon of April 29 and the afternoon of April 31, an attempt to land arms and ammunition in Ireland was made by a vessel under the guise of a neutral merchant ship, but which in reality was a German auxiliary, in conjunction with a German submarine. The auxiliary sank and a number of prisoners were made, amongst whom was Sir Roger Casement."

Sir Roger Casement before the outbreak of the European war was in the British consular service, having held posts in Portuguese West Africa, the Congo Free State, Haiti, San Domingo and Brazil. In November, 1914, it was reported that Sir Roger, who was the leader of the separatist faction in Ireland, had gone to Berlin and conferred with the German Imperial authorities, his intention, it was said, being to open negotiations between the German government and the anti-English party in Ireland.

Assurances were said to have been given to Sir Roger that should the German troops land in Ireland all native institutions would be respected by them. Sir Roger's followers in Ireland were, according to the report, to give every aid to the German.

The report of his activities in Germany created a sensation in England and in February, 1915, Sir Edward Grey announced in the House of Commons that Sir Roger's pension as a former member of the consular corps had been suspended pending an investigation of charges of disloyalty against him.

Sir Roger was created a knight in 1911. He is 52 years old. It was Sir Roger who in 1912, while consul-general at Rio Janeiro, made a report on the torturing and killing of natives of Brazil by employees of the British company operating the Putumayo rubber fields. As a result of his report a British royal commission headed by him investigated the situation and brought about reforms in the treatment of men employed in the industry.

London, April 25.—Fifteen persons were killed during a riot in Dublin today when a mob attacked the post-office. The government is now in control.

For eastern New York and western Vermont probably showers tonight and Wednesday. Continued cold.

Burt, Mr. and Mrs. Frank E. Moore; William B. Shea and Miss Minnie Fischer; William McMahon and Miss Mary V. Healy; Mr. and Mrs. D. A. Ward; Maurice Levin, Abe Noveck, Edward Jenney, William Hurley, Peter Mattison, E. E. Parlin, Ned Healy, Pauline Cornell, Barbara Cronin, Burton Powers, Channing Hare, Dorothy Patchin, William Lundegan, Benjamin Waldron, Miss M. Edna Waldron, Samuel Levin, Richard McGuire, John B. Harte and Miss Alice McDermott; Le Grand Babcock of Hoosick Falls and others.

This was the first time that the high school hall had been used for so large a function. The floor had been newly scraped and waxed for dancing and the surface was in perfect condition. The only shadow over the gaiety of the occasion was the noticeable absence of Norman W. Edgerton, whose sad death occurred Sunday evening, Mr. Edgerton, who was a knight, was usually chief decorator of the hall and because of his death the committee did not try to make the hall as elaborate as in other years.

The committees to whom the success of the affair are due are as follows:

## GERARD CONFERS WITH GERMAN CHANCELLOR

Officials Opposed to Restrictions of Submarine Warfare

## IF WE INSIST BREAK FOLLOWS

Possibility of Actual War Between Two Countries Being Discussed in Berlin.

Berlin, via London, April 20.—The American ambassador was called by telephone to the imperial chancellor's palace this morning. He went immediately and a conference with Dr. von Bethmann-Hollweg lasted an hour and ten minutes. When he came from the conference, Ambassador Gerard declined to give any information as to the nature of the discussion and would not answer questions as to whether anyone else was present.

It is understood that the German reply to the American note will not be delivered before the imperial chancellor has another opportunity of conferring with the Emperor.

Dr. von Bethmann-Hollweg devoted the afternoon to conferences on submarine question with Admiral von Holtzendorff, chief of the admiralty staff. Several of the higher diplomatic officials participated.

The outcome of the present crisis depends on what President Wilson and the American government wants. The general view of the present situation as gleaned from conversations with persons close to official circles is about as follows:

If President Wilson and the American government are arguing that earlier concessions by Germany have not been adhered to, and insist that the submarine campaign can be conducted without deviation within the limits of German assurances and pledges in former notes, then a settlement can probably be arranged, despite what is considered the "sharp and unfriendly tone" of the American note. The pledges can probably be restated, if need be and definitely reformulated, so that there can be no possibility of error or question of responsibility.

If, however, the United States insists upon a further limitation of the submarine war against commerce, then there appears to be little chance of an agreement for a satisfactory settlement, and it is considered that a breach of diplomatic relations, if it should come, would in all probability be only a temporary status, and would soon develop into an actual state of war.

## Tried Various Kidney Remedies But Only One Proved Reliable

It is with great pleasure that I write these lines of praise for your wonderful kidney and bladder remedy. I had kidney trouble so bad I became very much alarmed. I had tried various kidney remedies I heard of but without relief. I was about discouraged of ever being helped, when, one day I picked up a book containing testimonials of people who had been helped and cured of their kidney trouble by the use of Dr. Kilmer's Swamp-Root. So I decided to try it and I know I owe my present good health to the wonderful curative power of Swamp-Root. I sincerely hope my words will be the means of restoring many other sufferers of kidney and bladder troubles to good health.

Very truly yours,  
B. J. Fenstermaker.
